| 06.            | Mode of financing  | Mix of debt and internal accruals   |
| 07.            | Rationale  | The current operation of the Company is mainly in the Central region with a grinding Unit at Butibori near Nagpur in Maharashtra. The Board has approved to set up an integrated Cement Plant in Yavatmal, Maharashtra. The Company has already acquired land and has mineral concession required for the project. The proposed location is well connected with Rail and Road network. The proposed plant has already received environment clearance. Maharashtra is one of the fastest growing state with highest Gross State Domestic Product (GSDP) and is a cement deficit State. The project is entitled to an attractive fiscal incentive from the Government of Maharashtra. |
